Alphabet GK

No of Players :

Any number of kids above 5 years

Description:

Ask all the players to prepare a grid of 6*6 squares.

Select 5 categories you feel is appropriate for the age group participating. Ask them to write the categories in the top row leaving the first square.

Then select any random 5 letter word. Ask them to write on alphabet of the word in one square in the first coloum.

Now all the players have to write the answer for the categories given.

Allow 3/5 mts for the game.

Give 1 point for each right answer. Player scoring maximum points is the winner.

Variation:

Select top 5 players from round one and play the same game with challenging categories.

A sample answer sheet is provided for your reference.
